If the cost to the Authority or any Beneficiary of executing or procuring such Services exceeds the amount that would have been payable to the Contractor for such Services, the excess shall be paid by the Contractor to the Authority or any Beneficiary on demand in addition to any other sums payable by the Contractor to the Authority or any Beneficiary in respect of the breach of Contract.
- 5.7 If the performance of the Contract by the Contractor is delayed by reason of any act or default on the part of the Authority or any Beneficiary or, by any other cause that the Contractor could not have reasonably foreseen or prevented and for which it was not responsible, the Contractor shall be allowed a reasonable extension of time for completion of the Services so affected.
- 5.8 The Authority or any Beneficiary shall ascertain whether the Contractor's provision of the Service and/or any Goods in question meets any performance criteria as specified in the Specification or, if the criteria are not so specified, meets the standards of a professional provider of the Services or a professional supplier of the Goods. On or before the fifteenth working day of each calendar month during the Contract Period and within 14 days after termination of the Contract, the Authority or any Beneficiary may:
- 5.8.1 in respect of each of the Services and the supply of any Goods during the preceding calendar month, provide to the Contractor a notice (each called a "**Performance Notice**") which shall set out a statement of the Authority's or any Beneficiary's dissatisfaction with the Contractor's performance and provision of the Services and/or any Goods;
 - 5.8.2 each Performance Notice issued by the Authority or the Beneficiary shall include a proposed rebate of the Contract Price commensurate to the under-performance of the Contractor as recorded in the Performance Notice;
 - 5.8.3 if the Contractor disputes any matter referred to in any Performance Notice and/or the proposed rebate of the Contract Price, the Contractor may raise this objection with the Authority or the Beneficiary and if this matter is not resolved within 7 days the matter shall be referred to the Dispute Resolution Procedure; and

- 5.8.4 if the Contractor has not raised any objection to the Performance Notice within 7 days of receipt (or such other period as agreed between the Parties) then that Performance Notice shall be deemed to have been accepted by the Contractor and the rebate on the Contract Price referred to therein shall become immediately effective.
- 5.9 The Authority's and any Beneficiary's rights under Clause 5.8 are without prejudice to any other rights or remedies the Authority or any Beneficiary may be entitled to.
- 5.10 On request, the Contractor shall submit to the Authority and any Beneficiary progress reports detailing its adherence to the timetable (if any) as set out in the Specification in a format approved by the Authority or any Beneficiary. The submission and acceptance of such reports shall not prejudice any other rights or remedies of the Authority or any Beneficiary under the Contract.
- 5.11 If required by the Authority or any Beneficiary, the Parties shall co-operate in sharing information and developing performance measurement criteria with the object of improving the Parties' efficiency. Any such agreements shall be fully recorded in writing by the Authority or Beneficiary as the case may be.

6 Contract Price and Payment

All other costs, charges, fees and expenses of whatever kind arising out of or in connection with the Contract shall be the responsibility of the Contractor. In respect of any Goods, the Contract Price includes delivery, the complete installation of the Goods and any preparatory work set out in the Specification, in addition to which (in the absence of written agreement by the Parties to the contrary), the Contract Price shall also include the cost of packaging, packing materials, addressing, labelling, loading and all appropriate tax (excluding VAT) and duty. The amount of any duty additional to the Contract Price and any early settlement discounts shall be shown separately in the Contract. For the avoidance of doubt, the Parties acknowledge that the Contract Price shall include all labour, tackle, craneage, material and plant required for the delivery and installation of the Goods.
- 6.3 In accordance with the Contract, where the Contractor is required to provide Deliverables, the Authority or any Beneficiary shall be entitled to withhold payment of the Contract Price pending receipt and acceptance of the Deliverables in accordance with the Specification.
- 6.4 Invoices shall not be rendered by the Contractor until the Acceptance Date, unless otherwise agreed in writing. Such invoice shall be rendered on the Contractor's own invoice form clearly marked with the Authority's or the Beneficiary's order number (if any). Invoices must show the period to which they relate and the Goods and Services for which payment is claimed, together with the agreed charging rates and any other details the Authority or the Beneficiary may require. Failure to provide

such information will entitle the Authority or the Beneficiary to delay payment of the Contract Price until such information is provided.

- 6.5 Subject to Clause 6.6 and unless otherwise agreed, the Authority or any Beneficiary shall pay 95 per cent of the Contract Price of any invoice submitted by the Contractor in accordance with Clause 6.4 within 30 days of the Acceptance Date. Provided that the Contractor has fully complied with all its obligations under the Contract, the Authority or, as the case may be, Beneficiary shall pay the remaining 5 per cent of the Contract Price not later than 12 months after the Acceptance Date. The Authority or the Beneficiary shall pay such invoice(s) by BACS (Bank Automated Clearing System) if it so chooses or any alternate means as agreed between the Authority or the Beneficiary and the Contractor.
- 6.6 The Authority and any Beneficiary shall be entitled to deduct from any monies due or to become due to the Contractor any monies owing to the Authority or the Beneficiary from the Contractor.
- 6.7 Where the performance of the Contractor does not meet the required standard then a deduction as set out in the Specification or as agreed by the Parties may be made.
- 6.8 Except where otherwise stated in the Order, the Contract Price is exclusive of VAT which shall be payable, if applicable, by the Authority or any Beneficiary in addition to such Contract Price. The invoice provided to the Authority or any Beneficiary by the Contractor in accordance with Clause 6.4 shall show the VAT calculations separately.
- 6.9 The Contractor will keep accurate books and records in relation to the provision of the Services in accordance with sound and prudent financial management. All such books and records shall be made available to the Authority at regular intervals of not less than quarterly.
- 6.10 In the event of the Authority or any Beneficiary breaching Clause 6.5, the Contractor shall be entitled to charge interest on the outstanding amount owed by the Authority or such Beneficiary in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.
- 6.11 Subject to Clause 6.12, Clause 6.13 and Clause 7, the Contract Price shall not change during the Contract Period.
- 6.12 The Contractor may apply to the Authority in writing once in any Year (other than the first Year) to increase the Contract Price by such percentage as is equivalent to any percentage increase in the Index during the previous Year. The Authority may in its absolute discretion agree to such an increase. If the Authority agrees to an increase it will apply from the date of the notice sent by the Authority to the Contractor informing them of its decision.
- 6.13 If a proposed variation to the Specification under Clause 37 also involves a proposed variation to the Contract Price and the Parties cannot reach agreement on the adjustment to the Contract Price within the 90 day period specified in Clause 37.4 both Parties shall jointly and immediately refer the matter that is in dispute to mediation by issuing a Mediation Notice as required by Clause 38.4.

7 Value for Money and Benchmarking

- 7.1 The Contractor has an obligation throughout the Contract Period to identify (and to notify the Authority) of potential costs savings and improved value for money for the Authority. The Authority may make a written request each Year to the Contractor requesting details of how the Contractor is identifying and (where agreed with the Authority) delivering improved value for money.
- 7.2 The Contractor shall ensure that the information that it provides to the Authority in accordance with Clause 7.1 shall be sufficient for the Authority to determine that the Contractor is complying with the obligation in Clause 7.1. The Contractor shall provide such further information that the Authority reasonably requests in connection with Clause 7.1.
- 7.3 The Authority shall regularly benchmark the Contract Price and performance of the Contract by the Contractor. Any benchmarking will be against third party suppliers ("**Benchmark Contractors**") providing services substantially the same as the Contractor is required to provide under the Contract to organisations that are similar to the Authority (or have similar requirements for the purchase of services similar to the Services) during the Contract Period. This benchmarking will compare the Contract Price and level of performance of the Contract with the prices being charged and services offered by the Benchmark Contractors at that time. The aim is to provide the Authority with reasonably detailed information for comparison purposes.
- 7.4 The Authority shall be entitled to use any model to determine the achievement of improved value for money and cost savings and to carry out the benchmarking evaluation referred to in Clause 7.3.
- 7.5 The Authority shall be entitled to disclose the results of any benchmarking of the Contract Price and performance of the Contract to any Beneficiary or Beneficiaries as the case may be.
- 7.6 The Contractor shall use its best endeavours and act in good faith to supply information requested by the Authority in order to undertake the benchmarking referred to in this Clause 7, such information requested to be at the discretion of the Authority acting reasonably.
- 7.7 The Parties agree that this clause 7 is an important clause of the Contract. If the results of a benchmarking exercise demonstrate that the Contract Price is too high because it does not reflect the market price then the Contract Price shall be reduced as soon as reasonably practicable (and the Contract varied in accordance with Clause 36 (Variation of the Contract)) to reflect the outcome of the benchmarking exercise.
- 7.8 For the avoidance of doubt the results of any benchmarking review shall not result in any increase to the Contract Price or any decrease in the performance of the Contract.

- 23.8 In the case of any Goods supplied from outside the United Kingdom, the Contractor shall ensure that accurate information is provided to the Authority or any Beneficiary as to the country of origin of the Goods and shall be liable to the Authority or any Beneficiary for any additional duties or taxes for which the Authority or such Beneficiary may be accountable should the country of origin prove to be different from that advised by the Contractor.
- 23.9 Where the Authority or, as the case may be, any Beneficiary agrees in writing to accept delivery by instalments the Contract will be construed as a single contract in respect of each instalment. Failure by the Contractor to deliver any one instalment may allow the Authority or such Beneficiary at its option to treat the whole Contract as repudiated depending upon the circumstances of the non-delivery, such option not to be unreasonably invoked.
- 23.10 Any arrangement to deliver the Goods where carriage is to be charged separately or any arrangement by which the Goods are collected by the Authority or any Beneficiary in return for a discount on the Contract Price shall be recorded in writing and signed by a duly authorised signatory on behalf of the Authority or Beneficiary. Where due to an emergency such arrangements cannot be committed to writing and signed off as aforesaid the Parties shall confirm such arrangements in writing as soon as possible thereafter.

24 Time

- 24.1 The time of delivery of the Goods shall be agreed on the face of the Order or as set out in the Specification (unless otherwise agreed in writing by the Parties) and if no time for delivery is expressly agreed then delivery shall be made within 14 days of receipt of the Order.
- 24.2 Where the time of delivery has been agreed by the Parties on the face of the Order, in the Specification or otherwise in writing (and for the avoidance of doubt not where delivery is to be made within 14 days of receipt of the Order because no time for delivery has expressly been agreed) then time for delivery shall be of the essence and without prejudice to any other right or remedy of the Authority or any Beneficiary.
- 24.3 The Parties may alter an agreed time of delivery provided that a minimum of 3 days' notice is given to the other Party in writing.
- 24.4 Failure by the Contractor to deliver the Goods or any part of them within the time agreed in accordance with Clause 24.1 shall entitle the Authority to terminate the Order and purchase other goods of the same or similar description to make good

such default and recover from the Contractor the amount by which the cost of purchasing other goods exceeds the amount that would have been payable to the Contractor in respect of the Goods replaced by such purchase provided that the Authority uses all reasonable endeavours to mitigate its losses in this respect. Three consecutive failures to deliver within the time agreed in accordance with Clause 24.1 shall entitle the Authority to terminate the Contract, and recover costs in accordance with Clause 40.2.

25 Electronic Trading System and Forms

- 25.1 Unless the Authority confirms otherwise in writing the Contractor shall use the Electronic Trading System (and comply with its requirements) throughout the Contract Period. The Contractor shall be deemed to have satisfied itself prior to the Commencement Date that it is able and will continue to be able for the duration of the Contract Period to comply with the Electronic Trading System.
- 25.2 Subject to Clause 25.1 the Contractor shall use the Electronic Trading System to facilitate, amongst other things, the following: Order placement, the provision of sales information, invoicing, creation of credit notes and the exchange of such other information relating to the Contract as the Authority may reasonably require from time to time.
- 25.3 In the event that Contractor fails to comply with either Clause 25.1 or Clause 25.2 the Authority shall be entitled to reduce (and the Contractor agrees to such reduction) the amount payable on any invoice issued pursuant to Clause 6 (Contract Price and Payment) by 1% of the amount invoiced by the Contractor from the time of the failure to comply until the Contractor remedies that failure. The Parties agree the level of the reduction is a reasonable pre-estimate of the costs to the Authority of having to deal with the non-compliance.
- 25.4 If there are persistent breaches of either Clause 25.1 or Clause 25.2 (or both) by the Contractor this will amount to "Material Failure" for the purposes of Clause 40.1.1 (Termination).
- 25.5 The Contractor shall ensure that the following information is provided in electronic form (unless the parties agree otherwise in advance and in writing that such information be provided in physical form):
- a) a service delivery note shall accompany the provision of the Services as appropriate;
 - b) an invoice shall be rendered on the Contractor's own invoice form; and
 - c) any service provision note and invoice shall be clearly marked with Authority's or any Beneficiary's order number, name and address of the Authority or the Beneficiary and the description of the Services supplied, and shall show separately any additional charge not included in the Contract Price.

and the Contractor shall further ensure that its compliance with this Clause 25.5 is compatible in all respect with the other requirements of the Contract.

26 Property and Risk in Goods

- 26.1 Property in the Goods shall pass to the Authority or any Beneficiary when the Goods have been delivered in accordance with Clause 23.2.
- 26.2 Risk in the Goods shall not pass to the Authority or any Beneficiary until the Goods have passed the acceptance tests in accordance with Clause 15.6. - 27.2 Without prejudice to the operation of Clause 27.4, the Authority or any Beneficiary shall notify the Contractor of:
 - 27.2.1 the discovery of any defect within a reasonable time of its discovery and shall give the Contractor all reasonable opportunities to investigate such defect; and
 - 27.2.2 any shortage or damage caused in transit and found on delivery within 14 days of delivery or such time as agreed by the Parties.
- 27.3 The whole of any delivery may be rejected if a reasonable sample of the Goods taken indiscriminately from that delivery is found not to conform in every material respect to the requirements of the Contract.
- 27.4 The Authority's or any Beneficiary's right of rejection shall continue irrespective of whether the Authority or the Beneficiary has in law accepted the Goods. In particular, taking delivery, inspection, use or payment by the Authority or any Beneficiary of the Goods or part of them shall not constitute acceptance, waiver or approval and shall be without prejudice to any right or remedy that the Authority or any Beneficiary may have against the Contractor provided that the right of rejection shall cease within a reasonable time from the date on which the Authority or the Beneficiary discovers or might reasonably be expected to discover the latent defect or other relevant breach of contract.

- 27.5 Goods so rejected after delivery shall be removed by the Contractor at its own expense within fourteen days from the date of notification of rejection. If the Contractor fails to remove them within such period the Authority or any Beneficiary may return the rejected Goods at the Contractor's risk and expense and charge the Contractor for the cost of storage from the date of rejection.

- 28.1 The Goods shall be of first class quality, new, and shall be supplied strictly in accordance with the Specification and/or any sample previously provided to the Authority or any Beneficiary and, unless otherwise agreed in writing, shall conform to all relevant standards, specifications and conditions and all work performed by the Contractor shall be in accordance with best practice. - 28.3 The Contractor agrees to assign to the Authority or any Beneficiary upon request the benefit of any warranty, guarantee or similar right which it has against any third party manufacturer or supplier of the Goods or any part thereof.

- 29.2 In the event that the Contractor is in breach of Clause 29.1 then without prejudice to any other right or remedy of the Authority or any Beneficiary, the Authority or any Beneficiary shall be entitled to reject the Goods and the Contractor shall, subject to Clause 33, indemnify the Authority or the Beneficiary against all costs, claims or liabilities made against or incurred by the Authority or the Beneficiary as a result of such breach, including the cost of purchasing alternative goods and all administrative costs incurred by the Authority or the Beneficiary in inviting and awarding tenders for the supply of such alternative goods.

- 33.2 Except in the case of death or personal injury caused by negligence, and fraudulent misrepresentation or in other circumstances where liability may not be so limited under any applicable law, the liability of either Party under or in connection with the Contract, whether arising in contract, tort, negligence, breach of statutory duty or otherwise shall not exceed the sum of £5 million in any one Year.
- 33.3 The Contract Price of the Services under the Contract has been negotiated and agreed on the basis that the Parties may limit their liability to each other as set out in the Contract and the Parties each confirm that they will themselves bear or insure against any loss for which the other Party has limited its liability under the Contract.
